OUTSTANDING ACCOUNTS/ CREDITS FROM PREVIOUS TERMS

Due to some clients changing lesson days after paying term invoices, there are often small discrepancies in the new terms bill. These are generally the difference in lesson costs. For example, if you originally paid for a Monday session consisting of 6 lessons in a term and you moved to a Thursday session with 8 lessons a term this would reflect an outstanding amount of \$24.00.

Additionally, any items of stock (e.g. goggles, caps) purchased on account, will appear on the term invoice.

**Full payment of the invoice is required to secure your spot in Term 3*
